Dear Confirmation Candidate:

Jesus said, "Whatever you do for the least of my brothers you do for me." In this way, as a significant part of your Confirmation preparation, you are required to complete a **15 hour service project**. **Service Hour Projects must be completed by May 1, 2011**

You may decide to volunteer at only one location or at several. Whatever you decide to do, be sure to document the service you complete, the time volunteered, and a supervisor's signature. Marching in the band or babysitting a family member does not count as a service project. Possible examples of service projects include volunteering at a soup kitchen / food pantry, nursing home, hospital, or volunteering here at Our Lady of the Rosary (participating in processions, helping out at dinners, feasts, serving as lectors, altar servers, volunteering at the Our Lady of the Rosary Food Pantry, helping out with C.C.D. on the weeks when you do not have class, etc.)

Look upon your service project as a positive learning experience that will not only reward you spiritually, but someone else in the process. If you have any questions or concerns, please feel free to speak to me.

Sincerely,

Elisa M. Guerra Thibeault
Director of Religious Education
